

Community Involvement Update

• Meetings and Presentations

- HPNS Community Meeting – September 6th (Parcel E-2 Update)
 - ❖ 18 community members in attendance
 - ❖ Success measurements
 - ✓ **Inform and educate stakeholders:** high level of involvement between participants and Navy
 - ✓ **Engage stakeholders:** provided options for different methods of receiving information (posters, rolling presentation, handouts)
 - ✓ **Promote open communications:** open environment format encouraging two-way participation
 - ✓ **Establish confidence:** addressed community questions and concerns about Parcel E-2 and landfill, in particular
- HPS CAC Meeting – September 11th (HPNS Radiological Data Evaluation Update)
 - ❖ 38 community members plus HPS CAC Board Members and staff in attendance
 - ❖ Success Measurements
 - ✓ **Inform and educate stakeholders:** provided update on Navy's efforts to evaluate and validate radiological data
 - ✓ **Promote open communication:** allowed concerns to be heard in a public comment setting
 - ✓ **Develop trust and confidence:** Navy responded to all questions and had subject-matter experts available; committed to participate in an upcoming HPS CAC Environment & Reuse Subcommittee Meeting (date TBD)

• Community Events

- HPS Artists Open Studios Event – October 14th (informational booth)

• Print Materials

- RAD Data Evaluation Update #2 – distributed at HPS CAC meeting; posted on Navy and agency website
- Quarterly Progress Update (Q3 2017) – planned for distribution in October 2017
